Honorable George B. Daniels
United States District Court Judge
Southern District of New York
500 Pearl Street
New York, New York 10007Re: United States v. David Wilkins (Robin McMahon)
07 CR 566 (GBD)

Dear Judge Daniels:

I write regarding our client in the above case, Robin McMahon. Mr. McMahon is currently scheduled to be sentenced on September 4, 2008. An adjournment of twenty-eight days is respectfully requested for several reasons.

Mr. London and our associate attorney, Meredith S. Heller, have been preparing for trial in *United States v. Jacomino*, 05-cr-698 (GBD), currently scheduled to begin on September 8, 2008, before Your Honor. That case has required a significant amount of preparation, including working with an investigator and reviewing a substantial amount of discovery. Additionally, I was out of the country for six weeks and only returned to the office this past Monday, August 25, 2008.

The Presentence Report ("PSR") was completed on August 11, 2008, but I have not been able to fully review it or discuss it with my client. It is necessary that I meet with Mr. McMahon at least once in order to determine if there are any objections to the PSR.

The government, through A.U.S.A. Joseph Facciponti, has been informed of this request and has no objection.

Very truly yours,

AVROM ROBIN
